

PRAKASH KUMBHAKAR

Web Designer & Developer

I'm **Prakash Kumbhakar**, a **web developer** and **designer** skilled in HTML, CSS, JavaScript, React, PHP, and Shopify. I've built responsive websites and managed my own eCommerce brand Urban Step, focusing on Shopify store setup, design, and SEO. I also gained hands-on experience in product listing and content management during my internship at Exam360. I enjoy building clean, functional web solutions that deliver real results.

WORK EXPERIENCE

● Exam360

Product Listing Intern

Feb 2025 – May 2025

- Uploaded and managed product listings on the company's platform.
- Worked with product data, descriptions, images, and SEO tags.
- Gained experience in eCommerce platforms and back-end management.
